Dear Bill:

I enjoyed seeing you again at the Business-Government Relations Council luncheon today, and appreciated the opportunity to describe the Bradley Fighting Vehicle. As promised, I'm sending with this note a brochure that will give you considerable additional detail on the Bradley. I should add that if your travels should take you to California, we would be very pleased if you would visit FMC facilities in San Jose where the Bradley is produced.

As I mentioned at luncheon, Bob Malott called to tell me how much he appreciated your comments at the Business Council meeting, and I can certainly say the same for your speech at the Business-Government Relations Council luncheon.

Best regards.

Sincerely yours,

Robert McLellan
